

Bio Liselotte Engstam

Liselotte Engstam has a background from executive leadership positions in European, American, and Indian companies in the technology and services industries. Building on the digital innovation and international leadership experience, she contributes to developing more sustainable businesses with broader value creation.

Ms Engstam serves as Non-Executive Chair and Board Director at four listed companies (TietoEvy, Zalaris, Transtema Group, and Cint Group), at two private companies (Ografy and BoardClic), and as a board member at the Climate Governance Initiative in collaboration with World Economic Forum, and as Founder & Chair of the Nordic Chapter; Boards Impact Forum.

She is a founder of the Think Tank Digoshen and engages in academic research, insight development, hosting board networks, training chairs & board members and advising on modern leadership and board practices. Ms Engstam advised European Commission on Digitalisation of Corporate Governance, and she is the co-author of "*Leading a Board - Chairs' practices across Europe*", of "*AI Leadership for Boards*" and a forthcoming book on "*Governance for Corporate Renewal, Innovation and Sustainability*".

With a keen interest in art, sustainability, technology, and personal development, she engages in art experimentation and shares some of her creations for inspiration.

Ms Engstam has a Master of Science in Engineering and Sustainability, and is a certified international board director IDP-C from INSEAD. She is a Fellow at the Institute of Coaching, Harvard Medical School. Ms Engstam was 2021 appointed one of the top 100 globally in Modern Corporate Governance.
